Georgia Fire Service Conference Annual Memorial Service
September 13, 2019 at 8 a.m.
Albany Civic Center

The Georgia Association of Fire Chiefs (GAFC) and the Georgia State Firefighters Association (GSFA) annually recognizes firefighters that have passed away in the last year at a memorial service held during the Georgia Fire Service Conference. A presentation during this service recognizes each individual with information that is provided by the family or department. Family members are invited to attend the memorial service each year when their loved one will be honored. Firefighters do not have to have been a member of GAFC or GSFA to be recognized at the service.
