

# LIND SignSpring...for Outdoor!

**SignSpring for Outdoor is the ultimate breakthrough in Billboard installation systems. Vinyls & PE posters go directly from shipping box to billboard, no tools or prep required. SignSpring provides SIGNIFICANT savings in man-hours and vehicle costs while providing the tightest, most flawless and durable installation system on earth!**

- **Initial Conversions under an hour, re-posts in minutes.**
- **No hardware, rods or accessories means lighter loads and allow the use of smaller fuel efficient vehicles.**
- **Doubles and Triples postings per Man-Hour.**
- **Frees installers from tools, ratchets, rods and the dreaded 3-point climb.**
- **Eliminates water, wasp and rodent nest accumulation in vinyl pockets.**
- **Eliminates bent back bulletin corners and resulting illumination shadowing.**
- **Keeps installers on billboards fronts and away from nasty fiberglass shards**
- **Limited protrusions extends vinyl and PE life, allow easy rotation and re-use.**
