

Age Friendly Bay Ridge
Walkable Sidewalks
A Community Conversation
Join Us: May 18th – 2pm
Bay Ridge Center and Via Zoom

Did you know?

Seniors 65+ in Bay Ridge/Dyker Heights rate of fall related hospitalizations is higher than citywide average. (NYC Dept Health Profiles)

The New York Academy of Medicine predicts this demography of 65+ will grow in the next decade. Therefore, we must work together to advance safe, accessible, and walkable sidewalk corridors for our seniors!
