

BEGINNING ANEW IN 2017

Mission to Magadan E-Newsletter

Over the children's winter break we held our annual Vacation Bible School for the children of Magadan and again more children have opened their hearts to our Lord. We have eaten, prayed, played and learned about the love of our Lord this year. In addition to VBS we have started a new tradition of a Youth Retreat for the teenagers of our parish; can you believe how our children have grown? We could not believe how time has passed by so quickly but now our children are our youth and it was time we held an event for their continued love of Christ. We visited Fr. Mike's Poustina, gave potatoes and other food to the poor, prayed and discerned greatly about His mercy and our Acts of Mercy for others.

We have ended January with the Presentation of the Lord and with the much anticipated first baptism of the new year- please join us in welcoming Katia as our newest parishioner. We and Katia's family are grateful for the generous financial support we have received for Katia to come into this world.

As we now move into more of 2017, and now the season of Lent, we are excited to begin sharing our acts of mercy with you through Facebook and more e-news and mailed newsletters. Thank you for being a part of our family in Magadan and may God bless your families and keep them safe.
