

Sunday School

Beginning Sunday, September 18th, Saint Barnabas will offer both Sunday school for children and bible study for adults between the first and second services. Sandy Whitman and Cathy Lopez-Cooling who have so wonderfully led our education programs in the past will be retiring soon. Unfortunately, we have not been able to find volunteers to help with the children. Thus, we would like to recruit two experienced paid people to lead Sunday school. We need the parishioners of Saint Barnabas to support this endeavor both monetarily and spiritually. If you are able to help with the cost for this worthy cause, please let Father Kenn or one of the wardens know. Thank you for your consideration.

Greg Taylor, Senior Warden
Pat McDonald, Junior Warden
