

How About a Baseball Game With Fireworks?

The Parish Life Committee is organizing another group visit to see the Wilmington Blue Rocks (minor league Nats franchise) play the team from Aberdeen (an Orioles franchise) on July 19th starting at 6:35 pm at Frawley Stadium. The game will be followed immediately by a very nice fireworks display. We'll be sitting along the third base line (the setting sun behind us) with a great view of the field. For those who need it, handicap parking is available as well as an elevator to take you to the seat level. Come join us for a fun evening.

Tickets are just \$13 each, about the cost of a hotdog at the Phillies. Just submit a check to St. Barnabas for the total cost of the tickets and write "baseball game" on the memo line. If possible, also please contact Hal Bruner at (302) 373-8760 or halbruner@comcast.net on the number of tickets you purchased. I will be going purchase the tickets a couple of weeks before the game and will distribute them before the game.
