

## **St. Barnabas' Christmas Bazaar • Saturday, Dec 3, 2022**

It's that time of year again, fellow parishioners! And once again we are asking everyone to lend a hand to make this year's bazaar the most successful one yet. Just like last year, we are not hosting outside vendors, and we will be boxing our cookies to go with a large new variety. Pre-ordered soup and chili will also be packaged to go.

Our upstairs will again hold the White Elephant sale in the lounge, and Dr. Will Thomas and Fr. Kenn will again greet visitors in the Sanctuary, with recorded music and live organ performances. The upscale White Elephant sale, jewelry, books and games sales, baked goods and boxed cookies, craft table, and gift baskets will all be set up downstairs. In the kitchen they will be selling lentil soup and chili, as well as limited lunch items during lunch time.

### **Calling All Bakers!**

Our cookie boxes continue to be a big seller, so we still need those wonderfully delicious cookies you have provided throughout the years. **If you can bake and haven't been contacted, please email or call Leslie Walker at [lcwalk@juno.com](mailto:lcwalk@juno.com) or cell (302)547-0618 and let her know. Any dozen you make is a great help! Please drop off at church or Leslie's house by Dec 1.**

**Please note: No nuts or basic chocolate chip cookies**

**Other Baked Good are needed for the baking table** and those need to be individually wrapped goodies! They can be dropped off at St. Barnabas the Thursday or Friday before the bazaar.

### **Don't Forget Your White Elephant Items!**

Gather up your new or gently used unwanted household items to be sold for charity at our White Elephant sale. Dropoff is Monday through Friday during week before bazaar. More information on what is collected to come. Please reach out to Libby or Joanne if you are available to tag and help organize this large sale.

*Thank you for all you do. It is really appreciated and helps so many of our local ministries!*
