

## Your Presence is Requested

It almost feels like we are getting back to normal, whatever that means now. We are seeing faces we have missed and some new ones. Coffee hour is back (now Lemonade on the Lawn) even if it was slow to start and we miss occasionally. Just having community events where we gather and visit is what seems to make it feel right. Yet there are still many we have missed seeing.

As restrictions fell away we have been planning more activities. We had our first Movie Night to which we invited our daycare families. We had over 80 in attendance and it was great fun. We have them on the 3rd Friday of the month, please join us. This is a great opportunity for you to invite a friend or neighbor to experience our St. Barnabas community. With all the restrictions over the last couple of years, many welcome an opportunity to get back into social interaction. Your presence is requested!

Peace,

Greg Taylor, Senior Warden  
Pat McDonald, Junior Warden
