“Anti-Bullying Workshop”

Day 1:

Leaders **Jane Ellen Reid** and **James Issacs** from Cooperative by Design, a consortium of peacebuilding practitioners and organizational consultants, will lead discussion about how to diagnosis conflict and its impact on the congregation or system, and strategies for intervening.

Day 2:

Focus will be on practical application of the knowledge gained with opportunities for case studies, small group processing of personal experiences, and more discussion of leading adaptive change within church communities with ingrained and long-standing patterns.
