We are a community-based nonprofit focused on community development in west Baltimore. Our Martha's Place, Jubilee Arts, and Strength to Love II programs work to enrich the economic, social and spiritual lives of those dealing with poverty related issues in our Sandtown-Winchester, Upton and surrounding communities.

Our work to date has also resulted in significant neighborhood revitalization of the 1900 and 2000 blocks of Pennsylvania Avenue through the full renovation of six previously vacant and dilapidated buildings, transformation of 18 vacant lots into community green spaces and meditative gardens, creation of three dozen neighborhood murals, and conversion of 1.5 acres of vacant lots into an urban farm.
