

COLLEGE STUDENTS' AWARDS

In 2024 ACMP added a new category to our Student Awards. Parish Music Directors are invited to submit the names of any college student or students, freshmen through seniors, who have consistently and are currently serving as music ministers at parish liturgies. They need not be previous ACMP award winners. They will not be voted on by ACMP staff as the Parish Music Director will vouch for their ministry and years of service.

All students submitted will be invited to attend the ACMP Student Awards Ceremony (TBA), will receive certificates of recognition and will assume special leadership in the music for the evening.

Please send all submissions to:

Mrs. Melanie Capoferri
