Proverbs 18:24

*To me, “reunion/rally” is cumbersome and seems so inadequate. The word “reunion” implies that it is a gathering of people that know one another and “rally” seems to imply that we need to be put back into a state of order. With that being stated, the word “rendezvous” is replacing “reunion/rally”. One meaning for “rendezvous” is an agreement or appointment between two or more persons to meet at a certain time or place.
