[Swim FAQ sheet](#)
[DerryTWPCommCtrSwimFAQSheet \(canva.com\)](#)

Preschool-Level 1 Ages 3-5yrs

Orients children to the aquatic environment and helps them gain basic survival skills. Introductory level for non-swimming 3-5 year olds. Exit Skills are floating unassisted, glide to the walls with eyes down, and jump into deep water, float on back, then make way to the wall. It is common to participate in several sessions of each level before successfully demonstrating each skill.

Preschool-Level 2 Ages 3-5yrs

Must have successfully completed Preschool Level 1 exit skills. Preschool Level 2 helps children gain basic coordination and develop propulsive skills to be comfortable in and around water. Exit Skills are jump into deep water, swim freestyle 15 yards, elementary backstroke 25 yards, kick and breathe to the side with kickboard 25 yards (straight arms), and backstroke 15 yards. It is common to participate in several sessions of each level before successfully demonstrating each skill.

IMPORTANT:

If interested in multiple sessions, do not wait to register for the desired sessions. **Prerequisite for Lessons - Children with more than a 3-month break from lessons should repeat the previous level as a refresher course. It's not uncommon to take the same class several times before mastering all the skills.*

Level 1 · Ages 6-12yrs

Level 1 is an introduction to water skills that orients children to the aquatic environment and helps them gain basic survival skills. Introductory level for non-swimming 6-12 year olds. Exit Skills are float unassisted, glide to the wall with eyes down, jump into deep water, float on back, then make way to the wall. It is common to participate in several sessions of each level before successfully demonstrating each skill.

Level 2 · Ages 6-12yrs

Must have successfully completed Level 1 exit skills. Level 2 covers fundamental skills that help children gain basic coordination and develop propulsive skills to be comfortable in and around water. Exit Skills are jump into deep water, swim freestyle 25 yards, elementary backstroke 25 yards, kick and breathe to the side with kickboard 25 yards (straight arms), and backstroke 15 yards. It is common to participate in several sessions of each level before successfully demonstrating each skill.

Level 3 · Ages 6-12yrs

Must have successfully completed Level 2 exit skills. Level 3 helps children start to improve stroke development. Exit skills are jump into deep water, swim freestyle 25 yards, eyes down and breathing to the side, backstroke 25 yards, breaststroke 50 yards with equipment, and dive in then swim 25 yards. It is common to participate in several sessions of each level before successfully demonstrating each skill.

WaterTots · Ages 9mo.-3yrs

Waterpot's is a parent/child class for children ages 9 months to 3 years designed to provide experience and activities to acclimate children to the aquatic environment through songs and games while continuing reinforcement of basic skills, such as stomach and back positions, kicking, and breath control. A goal of this class is to increase the child's comfort level in the aquatic environment and begin working with an instructor. Parent participation is required. Swim diapers are required.

Adult Beginner · Ages 18+

The Adult Beginner swim lesson level is designed for participants 18 years and older who have minimal aquatic experience and skills. Participants will learn to be comfortable in the water, to float without support, kick on front and back, and basic water safety skills.

AQUATIC CLASSES

Fluid Motion

This low impact class will focus on walking with the water's natural resistance and stretching for participants looking to transition into aquatic exercise or an alternative to their high impact exercise routine. The cost for this class is \$5 for members, \$10 for residents, and \$12.50 for non-residents.

***Drop-in fees apply.**

MEM: \$5

RES: \$10

NON-RES: \$12.50

AquaFit

This shallow water aquatic exercise class consists of a warmup and warm down encompassing an energetic cardio fitness workout using aqua resistance and music to keep participants moving. The cost for this class is \$5 for members, \$10 for residents, and \$12.50 for non-residents.

Aqua Tone & Stretch

Provides an overall workout using all muscle groups. The primary focus in class is on stretching along with abdominal and muscle toning. Aqua belts and aqua barbells will be utilized.

AquaPower

Our AquaPower class is designed for participants who are looking for a challenging water workout! Easy on the joints, but an intense workout for the body, AquaPower will run in the 7-12 ft-deep competition pool. With motivating music and movements designed to build your endurance and strength, AquaPower is a great class for those who want to cross train from running, biking, or other land exercises that are repetitive on the joints.

GROUP EXERCISE CLASSES

Agility & Balance

This class will challenge and improve your balance and make you more agile. You will exercises that will move your joints in different patterns. You'll come away stronger and more mobile.

Bootcamp Workout

Bootcamp Workout involves 3 rounds of strength-building circuits, with 4 minutes of before and after each round. Class starts with a warm-up and ends with a relaxing cool-down.

BPM Cycling / Cycling

Indoor cycling or "spinning" provides a high-energy workout that burns calories and improves endurance and strength. During a typical class, various types of terrain—such as hills that you have to climb—are simulated to increase the intensity the workout. BPM Cycling uses a rhythmic approach to spinning that follows the beat of the music.

Cardio Combo

This class is an energy-filled cardio/ muscle training workout that gets your heart pumping and muscles moving. Not too intense, yet not too easy. This class will give cardio and toning workout all in one!

Core & More

Walk taller, feel stronger and enjoy the beats! Focus on core strength, muscle balance, and full body stretch decrease muscle tension and gain flexibility. Great for all ages, athletes, and anyone looking to enhance their game!

Dance Energy

Dance Energy is a special curated dance class full of fun, high-energy moves. Expect a mix of cardio, dance combinations, and cool-downs. You will gain strength, rhythm, and some pretty cool dance moves our Instructor, Em, founder of EM Studios, and hip-hop based dance studio near downtown Hershey.

Full Body Strength

With bodyweight exercises and the use of various strength training equipment such as dumbbells, bars, exercubes, etc.), Full Body Strength will work your entire body from head to toe. The class will include a 3-min. warm-up and 6-min. final stretch.

Kickbox Fitness

Kickbox Fitness is a form of martial arts derived from karate but tailored to improve your overall fitness level. It borrows moves from multiple types of martial arts including boxing, Muay Tai, and full-contact karate. Although the name implies that kicking is priority, you'll use both your hands and feet as points of contacts with a fun, energizing workout of punches and kicks.

LaBlast®

Are you ready to take traditional line dancing out of the saddle and onto the ballroom floor, while blasting it to a whole new level of fun and fitness? Then LaBlist® Line Dance is for you! Easy-to-learn dances including Disco, Foxtot, Samba, Paso Double, and more get you moving all four walls in no time at all. All dances are partner-free and can be done anywhere, making LaBlast® Line Dance the next social dance revolution. Put a smile on your face and join the fun!

Level I Cycling

This cycling class will get your heart pumping but is geared for an easier, less strenuous workout than a traditional Cycling class. You'll have fun while boosting your cardiovascular endurance. Level I Cycling is great for beginners, seniors, or anyone looking for a lower intensity, but still effective, class.

GROUP EXERCISE CLASSES

Level I Strength

Based on a philosophy of functional fitness, this class is designed to build strength, improve balance, and increase flexibility. Full body and isolation movements will be incorporated using a variety of fitness tools such as resistance bands, dumbbells, balls and more. Great for beginners, seniors, or anyone looking for a strength class in which you can really work at your own level.

LifeStretch®

LifeStretch® is a mobility-stretch program that is designed to help you become more flexible in body, mind, and spirit so that you feel not only more functionally mobile but also more capable to deal with the physical and mental demands of your life. Movements progress through entire chains of nuro-myo-faszia as opposed to targeting isolated, single muscles. LifeStretch® unique use of self-traction creates space in joints, greater ease of movement, and yields bigger gains in mobility. With regular class participation, you will realize huge gains in mobility and function.

Yoga

Yoga is a faster-paced, Vinyasa Flow style of yogi designed to energize and build endurance while strengthening, lengthening, and toning muscles. Emphasis will be placed on linking breath with movement while taking time to feel everything from exhaustion to bliss. Modifications will be offered for poses to suit participants of all levels.

Pump & Tone

Pump aims to improve daily living skills through better strength, agility, balance, and flexibility. The class promotes progressive resistance where your training load increased as your muscles become stronger. Core work will be incorporated and is designed to build core and back muscle groups that will improve your posture increase your flexibility while exercising. Instructors will use a variety of equipment in this class.

Restorative/Ying Yoga

This class will allow you to experience restoration and peace in your mind and body. It's a slower-paced, calming practice that holds a variety of positions to stretch, push past discomfort, and find rest. It incorporates traditional Chinese medicine that targets the meridian lines in the body and supports organ health. By relaxing instead of activating muscles in postures, Ying Yoga allows you to pause from everyday life and time your own well-being through movement and breath. Suitable for all levels.

Rhythmic Pilates

If you like to dance and workout, this is the class for you! You'll learn functional Pilates movements that focus on flexibility, stability, strength, and range of motion. While maintaining important focus, movements will be derived from your core and controlled to the rhythm of fun pop music.

SilverSneakers® Circuit

SilverSneakers® Circuit incorporates upper body strength work alternated with low-impact using a chair for standing support. This class great for seniors, individuals with special medical conditions, or anyone looking for a lower intensity class that still provides an invigorating, overall workout.

Strength & Core

Strength & Core will focus on building strength in your upper and lower body as well as in your back and core. You will learn the proper form for strength movements and weight to challenge yourself, no matter what your level. This class will incorporate compound movements for large muscle groups and intricate movements for smaller muscle groups for a comprehensive workout.

Tabata & Core

Four Tabata (high-intensity 4-minute intervals) segments combined with bodyweight core exercises will challenge your strength and stamina during this early morning workout. This class is a great combination of cardio, strength and core.

Vin-to-Ying Yoga

This class is an excellent mixture of both effort and ease. 30 minutes of powerful Vinyasa Flow followed by 30 minutes of passive poses held for longer periods of time, targeting the deeper tissues of the body. Suitable for all levels.

Zumba®

Everybody and EVERY body! Zumba is an exercise class that feels more like a party! Low-intensity and high-intensity moves are combined for an interval-style, calorie-burning dance fitness party. Zumba is a total workout that combines all elements of fitness – cardio, muscle conditioning, balance, and flexibility while boosting your energy with a serious dose of awesome with each class. Bring your energy and your smile.

Zumba Gold®

Zumba Gold modifies traditional Zumba moves with lower intensity, lower impact moves, and smooth transitions. It utilizes an engaging blend of Latin and international style music along pop. The class will focus on the elements of cardiovascular conditioning, balance, range of motion, and coordination. is great for the beginner exerciser, active older adult, or anyone who prefers not to go out for whatever reason.

ENRICHMENT PROGRAMS

Intro to Photography · Ages 14+

Do you have a DSLR camera and aren't sure how to use it? Are you still taking photos using only the AUTOMATIC mode? If you answered yes to either of these questions, then this is the perfect class for you!

Each class will begin with an exploration of a new topic allowed by some hands-on application of the technique or idea. Weekly assignments will also be given to reinforce what has been learned in class. During this class you will learn about the history of photography and cameras, the science behind how a DSLR camera works, lenses and how different ones produce different results, the exposure triangle - aperture, shutter speed and ISO, lots of composition techniques, and much, much more. In order to participate you need to have a DSLR or mirrorless camera. **Class is taught by Michael Yatsko Photography**

ENROLL ONLINE TODAY FOR SESSIONS AT SHANK PARK

Saturdays, Mondays, & Thursday options

Sessions begin September 10, 12, and 15

MINI (age 2):	CLASSIC (ages 3-5):	PREMIER (ages 5-8/ K-2nd grade):
This high-energy program introduces children to fundamental soccer principles, such as using your feet, dribbling, and the basic rules of the game. Through fun games, songs, and positive reinforcement, children will begin to experience the joy of playing soccer and being active.	Using creative and imaginative games, weekly sessions focus on basic soccer skills like dribbling, passing, and shooting. We also highlight a positive character trait each session such as respect, teamwork, and appreciation.	Age-specific curriculum is utilized that develops skills and progresses with competitive play. A focus on learning tactical skills through fun challenges and guided scrimmage where appropriate competition is reinforced.

74th Annual Hershey Halloween Parade Registration Fact Sheet

1. The parade is scheduled for Wednesday, October 19 at 7:00 pm, and will form in the Derry Township Community Center parking lot. Judging will begin promptly at 6:15 pm.
2. The decisions of the judges are final. All registered participants must march in the parade.
3. A special thank you to *The Hershey Company* for providing the candy for the spectators along the parade route! The donation is generous, however it is not limitless. It is recommended to bring additional candy if you choose to distribute candy.
4. A special thanks to the *Hershey Federal Credit Union*, *Derry Township Friends of Parks & Recreation* for sponsoring the cash prizes.
5. ***We strongly encourage groups to meet at another location and walk to Derry Township Community Center parking lot.***
6. Please do your best to keep your group together at the staging area. Volunteers will direct you to lineup. Be prepared to march at 7:00 pm.!
7. During the parade, keep your group moving, keeping pace with the group in front of you. Stopping along the parade route to sing, dance or perform other routines causes long gaps in the parade. As a result, these will not be permitted. We ask for your cooperation in this regard.
8. When you register for the parade, you agree to exempt from liability and hold harmless the Township of Derry and the Friends of Parks & Recreation and their respective agents, sponsors, and employees.
9. Signage identifying political figures shall merely identify the parade participant. Signs shall not read "VOTE for", "XXX for Office" or "Re-Elect", Political literature may not be handed out or otherwise.
10. For safety, NO candy or other items are to be thrown from motorized vehicles or floats.
This rule will be strictly enforced!
11. For your safety, please bring a flashlight.
12. All animals must have a handler. Handler must clean up all excrement, and dogs must be leashed.
13. The Township of Derry reserves the right to refuse participation if any parade entry is deemed inappropriate or offensive.
14. *There is no rain-date scheduled for the Halloween parade, the parade will run rain or shine.*
