For Immediate Release

THE HERSHEY LIONS CLUB WANTS YOU!

Derry Township, PA -- The Hershey Lions Club semiannually performs membership recruitment, normally during the months of April and October, however, any month of the year is ideal to express membership interest in the Hershey Lions Club.

"The Hershey Lions Club is always looking to expand our membership base as well as our commitment to the community with hands on service projects," shared Hershey Lions Club President, Steve Gallerizzo. "More hands make light work," added Gallerizzo. The club is planning its service projects for the next Lion Year which starts 1 July and ends 30 June. The Hershey Lions Club frequently partners with other community organizations to accomplish service projects and fundraisers.

The Hershey Lions Club is part of Lions Clubs International (LCI) and supports causes both locally and globally. Since 1925, Lions have served to prevent avoidable blindness and improve quality of life for people who are blind and visually impaired. Lions have also served to reduce the prevalence of diabetes, to ensure that community members have access to nutritious foods, to protect and restore our environment to improve the well-being of our communities, and to help those affected by childhood cancer.

You can help. The Hershey Lions Club is conducting in-person meetings at the Hershey History Center on the first and third Tuesdays of the month starting at 6:15 p.m. The Hershey History Center is located at 40 Northeast Drive, Hershey, PA. Do you have a project idea? Lions Clubs are groups of men and women who identify needs within the community and work together to fulfill those needs. For more information, please visit our websites at www.hersheylions.org and www.facebook.com/hersheylions.
