## Hershey Symphony Brings Broadway Strings to Hershey

The Hershey Symphony Orchestra invites the community to Broadway Strings: A Night of Song for the Symphony on Saturday, May 17, 2025, at 7:00 p.m. at the Hershey Story Museum Lobby.

This exclusive evening features a stunning performance by The Broadway Strings, a talented ensemble that brings the magic of Broadway to life with exceptional classical skill. The Broadway Strings features prominent Broadway musicians, including Hershey's own Will Curry, who is an accomplished Broadway conductor, violist, violinist and teacher.

Guests will also enjoy a decadent dessert buffet with champagne, wine, beer, coffee, and tea, and participate in a silent auction offering exclusive items, including theater tickets, dining packages, and more. Proceeds from this special event support the Hershey Symphony Orchestra's mission to bring high-quality music to the community.

Sponsors for this event include UPMC; The Hershey Company; Penn State Health/Highmark; M&T Bank; Hershey Federal Credit Union; Hershey Entertainment & Resorts; and McQuaide Blasko, Attorneys at Law.

Tickets are \$100 each and are available on the Hershey Symphony website, [www.HersheySymphony.org](http://www.HersheySymphony.org). Businesses and individuals interested in sponsorship or donating items to the silent auction can also find that information on the site.
