**Hershey Lions Club Foundation Golf Outing**

Derry Township, PA --- Members of the Hershey Lions Club Foundation will be hosting the community during its 33<sup>rd</sup> Annual Henry F. Nixon Memorial Amateur Golf Tournament on Sunday, June 12, 2022, starting at 1:00 PM. The annual event will take place at the Manada Golf Club located at 609 Golf Lane, Grantville, PA 17028.

The event raises funds to benefit projects of the Hershey Lions Club Foundation including eye exams and glasses; sponsorship of youth sports teams; support for the Hershey Food Bank; student backpacks; and student scholarship awards, to name a few. Last year's event drew over 70-golfers.

Event chair Lion/Past District Governor Pete Van Zandt of the Hershey Lions Club was delighted with last year's results and is hoping for an even greater attendance this year. "We had our best turn out in years last year," related Van Zandt. "We're very thankful for the continued outpouring of community support," he added. During its 33-year history, the event has raised over \$150,000 all of which has benefitted the community.

The Hershey Lions Club has a special connection with the Manada Golf Club. Former Hershey Lion Henry F. Nixon, the event's namesake, was instrumental in the golf club's establishment 58-years ago. Members of Lion Henry's family supported last year's event and are anticipated to do so again this year.

Residents looking to play in this year's golf tournament can visit the club's website at [www.hersheylions.org](http://www.hersheylions.org). Registration closes on June 1, 2022. The club also provides volunteer opportunities for service-minded men and women in the community.

Such volunteer opportunities embody the Lions' motto "We Serve." The Hershey Lions Club was organized and chartered in 1944 and has been continuously serving the residents of Derry Township since then.
