

Construction Update

Detour on Fishburn Road: Sanitary sewer repair work on Fishburn Road, between Sandhill Road and Cocoa Avenue, will begin the week of May 23rd. A detour will be required and appropriate signage will be posted.

Lane Constriction on Sandhill Road: After the repair work on Fishburn Road is complete, a storm sewer inlet at the corner of Sandhill Road and Peach Avenue will be replaced, constricting Sandhill Road between Cherry Drive and Fishburn Road.

DTMA apologizes for any inconvenience to the community while these needed repairs are completed.
