## WaterTots · Ages 9mo.-3yrs

WaterTots is a parent/child class for children ages 9 months to 3 years designed to provide experience and activities to acclimate children to the aquatic environment through songs and games while continuing reinforcement of basic skills, such as stomach and back positions, kicking, and breath control. A goal of this class is to increase the child's comfort level in the aquatic environment and begin working with an instructor. Parent participation is required. Swim diapers are required.

## Preschool-Level 1 Ages 3-5yrs

Orients children to the aquatic environment and helps them gain basic survival skills. Introductory level for non-swimming 3-5 year olds. Exit Skills are floating unassisted, glide to the walls with eyes down, and jump into deep water, float on back, then make way to the wall. It is common to participate in several sessions of each level before successfully demonstrating each skill.

## Preschool-Level 2 Ages 3-5yrs

Must have successfully completed Preschool Level 1 exit skills. Preschool Level 2 helps children gain basic coordination and develop propulsive skills to be comfortable in and around water. Exit Skills are jump into deep water, swim freestyle 15 yards, elementary backstroke 25 yards, kick and breathe to the side with kickboard 25 yards (straight arms), and backstroke 15 yards. It is common to participate in several sessions of each level before successfully demonstrating each skill.

## Preschool-Level 3 · Ages 3-5yrs

Must have successfully completed Preschool Level 2 exit skills. Preschool Level 3 helps children start to improve stroke development. Exit Skills are jump into deep water, swim freestyle 25 yards w/ eyes down and breathing to the side, backstroke 25 yards, breaststroke 50 yards with equipment, and dive in then swim 25 yards. It is common to participate in several sessions of each level before successfully demonstrating each skill.

## Preschool-Level 4 · Ages 3-5yrs

Must have successfully completed Preschool Level 3 exit skills. Preschool Level 4 helps children refine strokes and improve endurance. Exit Skills are dive into deep water from a standing position, swim freestyle 25 yards, change direction/position as necessary, backstroke 25 yards, swim breaststroke 25 yards, change direction/position as necessary, swim elementary backstroke 25 yards, swim butterfly 25 yards. It is common to participate in several sessions of each level before successfully demonstrating each skill.

# SNAPOLOGY PROGRAMS

Snapology provides several interactive robotics classes and coding programs for children ages 3-14 using LEGO® bricks. Students in our robotics programs learn pseudo-coding, coding, robotics and engineering principles.

Using fun topics and themes, such as animals, games, space and battle machines, we offer classes that embrace children's interest and curiosity to guide them through robotics and engineering principles. Our programs provide the best mix of fun and education for your child. In fact, most kids have so much fun in our robotics classes and coding programs, they don't even realize how much they are learning.

**Camps run are offered at various times/days from June 13th through August 19th.**

## SESSIONS NEAR YOU AT SHANK PARK!

**CLICK HERE** to join us on Mondays, Thursdays or Saturdays!

Sessions begin June 20, 23 or 25

<b>MINI (age 2):</b>	<b>CLASSIC (ages 3-5):</b>	<b>PREMIER (ages 5-8/ K-2nd grade):</b>
This high-energy program introduces children to fundamental soccer principles, such as using your feet, dribbling, and the basic rules of the game. Through fun games, songs, and positive reinforcement, children will begin to experience the joy of playing soccer and being active.	Using creative and imaginative games, weekly sessions focus on basic soccer skills like dribbling, passing, and shooting. We also highlight a positive character trait each session such as respect, teamwork, and appreciation.	Age-specific curriculum is utilized that develops skills and progresses with competitive play. A focus on learning tactical skills through fun challenges and guided scrimmage where appropriate competition is reinforced.
