

New Instructions for Scheduling

Mass Intentions

- Mass Intentions are now being scheduled through Sunday 26 June 2021.

The requested Mass Intentions will be scheduled on the first available date in the Mass Intention Book. (Thus, *the pastor* will select the date the Intention will be scheduled, which may be either a weekend or weekday)

- A donor may request up to four Masses. This is so that as many donors as possible may have (an individual) Mass offered.
- A Mass Intention may be for a living or deceased individual, couple, families, or significant event. Examples: (“+” = “deceased”)

John Smith + Bill and Mary Jones +
The 30th Anniversary of Bob and Ellen Jackson
The Deceased of the Smith and Jones Families

Rescheduled Intentions from Postponed Masses

From time to time one or more Masses must be cancelled unexpectedly. The Intentions for those Masses will be rescheduled to the First Friday of the following month, along with any and all other rescheduled Intentions.

Mass Intention Donation

A monetary offering is not required for a Mass Intention, and there is no fixed amount for those who do wish to donate. However, over time the custom of making a donation has arisen, and the customary amount at St. Brendan is \$10 per Intention.

Other helpful tips:

- Make check payable to “St. Brendan Parish”
- One check may include donation for all Intentions and mailed in the same envelope.
- If multiple donors request the same Intention, all of them will be included in one Mass.
That is, if ten donors want a Mass for “John Smith +” all ten will be “scheduled” into the same (one) Mass when possible.
- Mass Intention donations are not tax deductible.
