

On behalf of Bishop Luis Rafael Zarama, the following are the funeral arrangements, as we pray for the repose of the soul of the **Reverend Trent L. Watts**, Pastor of Saint Therese Parish in Wrightsville Beach.

Also, note that during these precautionary days, Saint Mark Catholic Church has a limited capacity for the faithful to attend the funeral liturgies in person. Priests who will be attending, family members of Fr. Trent, and St. Therese staff **do not** need to sign up for Mass; seating has been reserved for them. **Other attendees will need to sign up for the Mass through [this link](#)**

Seating is limited to 130 in the sanctuary and 20 in the chapel for anyone with medical exemptions and cannot wear a mask. More details are in the sign-up link.

Please note that the faithful who attend either or both of the funeral liturgies in person are respectfully requested to observe and maintain the proper social distancing protocols, namely maintain 6' of distance between you and others outside of your immediate family/members with whom you cohabitate, wear a face-covering or mask, use hand-sanitizer provided upon entry into the church building and only lower your face-covering at Mass to consume the Eucharist, repositioning it immediately thereafter.

The faithful may also access a livestream broadcast of the Funeral Mass, [via the St. Mark's YouTube page](#).
