Re: **New Price Sheets**

We are implementing a new price increase effective January 1, 2020.

This is an increase of around 3% to most items and other specific adjustments are due to increases in raw material, packaging, and general overhead expenses. Some items are slowly being adjusted to offset some tariffs.

To obtain an electronic copy of the new price sheet email your request to: office@GossOnline.com.

If you prefer a hard copy, send your request with number of copies to the email above, or you can call our Customer Service Department at 1-800-367-4677.

We continue to be committed to bringing you innovative and quality products at competitive prices. We value your business and thank you for your continued support.
