Litchfield Prevention Council is excited to host inspirational speaker and former WCW and WWE Wrestling Champion, Marc Mero, on October 12 at 7:00 pm in the Auditorium at Litchfield Intermediate School . Marc has presented at more than 2,000 schools throughout the country, empowering students to make positive choices. In this 60-minute production, Marc captivates students and their families in an engaging and entertaining manner as he shares his personal story of tragedy and triumph and where his positive and negative choices took him.

Students are inspired to treat themselves and others with respect, dream big, achieve goals, and cherish relationships. Issues such as bullying, peer pressure, substance abuse and suicide prevention are presented in a way that touches students at a heart level. Marc Mero's compelling message evokes personal reflection, laughter and tears, and also instills HOPE. The "Choices" presentation is life-changing! This event is FREE and is intended for Families!
