

Athletics Department
Weeks of December 12 and December 19

The Winter Sports Season is upon us, but before the snow flies it is necessary to acknowledge the accomplishments of Wamogo's Fall Sports Season. Wamogo had two teams qualify for the postseason! The boys' soccer team made it to the quarterfinals in the state tournament and the team finished with an overall record of eleven wins and eight losses. They had a great run in the playoffs making them the most successful boys' soccer team in over ten years! The Lady Warriors field hockey team also had a terrific season and qualified for the postseason for the first time in five years! They finished with a hard fought loss in the first round of the state playoffs. Way to Go Warriors!

Along with the success of these teams, each of them were represented by players selected to the All League and All State Teams. Mevlan Lebiti was selected First Team All Berkshire League and All State for boys' soccer while Hannah Lettau was selected First Team All Berkshire League and All State for field hockey. Congratulations to these athletes and teams for a great Fall Sports Season!

Winter sports will officially begin December 13, 2016 when the Lady Warriors basketball team competes against Housatonic Regional High School at Wamogo. GO WARRIORS!
