Grade 8 Course Registration Update

Grade 8 Students

Eighth grade students were introduced to the course registration process during their Developmental Guidance classes last week. Topics covered included graduation requirements, 9th grade required classes; as well as the timeline to complete. Students have been encouraged to review the Program of Studies when completing their course registration.

Students were given a course registration sheet to bring home and complete with their parents. In addition, a copy of the Program of Studies, course registration sheet, and classroom presentation were emailed to all parents on Friday, February 24. These documents are also available on the school counseling website, under the Middle School tab. Parent/guardians are asked to sign the completed form before returning it to Mrs. Spielman by March 1. Students will utilize the form when completing the registration process during Developmental Guidance classes.

Parents are encouraged to schedule an appointment with Mrs. Spielman any time after March 1 to meet and review course selections and to discuss any questions relating to the high school transition process. Parents can email Barbara Hart at bhart@rsd6.org or call the school counseling office at 860-567-6646 to schedule an appointment. Please feel free to email me at aspelman@rsd6.org or call at 860-567-6646

Students received a course description of available electives, along with a course registration form. Students are asked to review the schedule with their parent/guardian and return the course registration sheet signed by their parent/guardian by Friday, March 3.

Parents are encouraged to schedule an appointment with Mrs. Spielman after March 1 to meet and review course selections.
