Why Report Damage?

- Helps emergency management understand the full impact
- Identifies community recovery needs
- Supports requests for assistance and resources

You Can Ask for Help With:

- Home or property damage
- Debris cleanup (trees, storm debris)
- Housing needs or unsafe living conditions
- Loss of personal property or food
- Medical or safety needs
- Agricultural impacts (livestock, fencing, feed)
- Access issues (blocked roads or driveways)
- Other unmet recovery needs

What Happens Next?

Your report is reviewed by emergency management and partner organizations. We work to match your needs with available resources and assistance. Recovery support is provided case-by-case and may take time as we coordinate with multiple organizations.

⚠️ **This is not for emergencies. Call 911 if you need immediate help.**
