

# COVID 19 Decision Tree – STUDENTS

Yes, Student has symptoms with no alternative explanation or medical diagnosis

NO, Student does not have SYMPTOMS

Contact your assigned Superintendent when in doubt or need to discuss more thoroughly.

## A Common Symptoms

- Fever (Over 100.4°F)
- Loss of smell or taste
- Cough
- Unexplained muscle aches
- Sore throat
- Shortness of breath
- Chills
- New or unusual headache
- Nausea, vomiting, diarrhea, or loss of appetite

**C** Is Student aware of contact /exposure with someone who has been diagnosed with or tested positive for Covid-19?

### **B** STUDENTS/PARENTS WILL

1. Notify administrator and stay home or if at school, student will be isolated and need to be picked up within 60 minutes
2. Contact physician and follow medical care
3. Obtain COVID-19 Test

### **ADMINISTRATOR WILL**

1. Contact Pastor (if applicable) & OCSC

**F** Yes, there was direct physical or close contact within 6 feet for 15 minutes or more where within 24 hours.

### **STUDENTS/PARENTS WILL**

1. Notify administrator
2. Contact child's physician
3. Monitor by checking for fever and symptoms
4. **Symptomatic:** Stay home and go to Section B
5. **Asymptomatic student:** Child does not need to quarantine, however, continue to monitor for symptoms for 10 days after exposure
6. If the student becomes symptomatic following exposure to an individual that has tested positive for COVID-19, go to **Section B**

### **ADMINISTRATOR WILL**

1. Notify Pastor (if applicable) & OCSC
2. Communicate with parents about when child can return to school
3. Follow directives for "If Student Tests positive" or "If Student Tests Negative"

## FACE MASKS:

Whether or not a child wears a mask in a school/ECC should be up to the child's parent or legal guardian.

**G** No, the student is unaware of any contact with someone who is infected or diagnosed with Covid-19

### **STUDENTS/PARENTS WILL**

1. Continue practicing social distancing, good hygiene, and other preventative measures as directed by the school and CDC

### **ADMINISTRATOR WILL**

1. No specific action is needed

Last Exposure is last time of contact with COVID positive person.

If Student Tests Positive

## **D**

### **STUDENTS/PARENTS WILL**

1. Notify administrator of result
2. Continue medical care as instructed
3. **Symptomatic:** Stay home and away from others for five (5) days from the date your symptoms began. Students can return to school on day 6 if fever-free for 24 hours and symptoms are improving.
4. **Asymptomatic:** Stay home and away from others for five (5) days from the date of your positive test. Student can return to school on day 6 if fever-free for 24 hours and symptoms, if any develop, are improving. Day 0 = the date of positive test if you are symptomatic.
5. Per FL-DOH, face masks are no longer required; this is a parent decision.

### **ADMINISTRATOR WILL**

1. Notify Pastor (if applicable) & OCSC
2. Send general communication to staff and parent community is optional.
3. Complete the OCSC COVID-19 Reporting Form

All updates on this Decision Tree are based on the FLDOH COVID-19 Guidance Recommendation 02.24.2022

If Student Tests Negative

## **E**

### **STUDENTS/PARENTS WILL**

1. Notify Administrator of result (copy of results to administrator)
2. Continue medical care as instructed
3. Return to school after 24 hours have passed since recovery (No fever and general improvement of symptoms)
