

## PTCO Gingerbread Holiday Shop

Greetings SSCS Families,

The PTCO is happy to offer a Christmas shopping experience for our students. Formerly known as Santa Shop, this year we will offer a Gingerbread Holiday Shop with the help of American Fundraising Services. This has been a fun school tradition for our students in the Christmas season and we are excited to be able to continue this tradition in a fun and safe way. Please read the information below carefully.

### **In-House Shop During School Hours (12/6/2021 - 12/10/2021)**

Volunteers will help each student shop within his or her budget. Items are priced \$0.25 up to \$20. Most items are \$5 and under. Volunteers will also wrap gifts and label who each gift is for. Orders will be delivered to students once payment is received. See payment information below.

12/2/2021 or 12/3/2021: Budget envelopes will be sent home with students. Only students who bring completed budget envelopes back to school the week of 12/6/2021 will be allowed to visit the shop. **Do NOT turn any money in with the budget envelope.** This is a change from past years. We will not accept payment in cash. Please see payment options below. Items will not be sent home with students until payment is collected.

### **Payment Options:**

Parents will be informed via email or text how much is owed and that payment must be received before purchased items/gifts are sent home. Any gifts ordered by students but not paid for by 12/14/2021, will go back to the company.

Payment Options include:

1. Preferred method – The school office charges your FACTS account for the amount owed.

2. Pay by Check: Parent will receive an email or text from PTCO with the amount due. Parent may pay via check made out to SSCS PTCO before 12/14/2021. If payment is not received by 12/14/2021, then the items will be returned to the company.

**Class Shopping Schedule:**
