

PTCO Gingerbread Holiday Shop

Greetings SSCS Families,

ThePTCO is happy to offer a Christmas shopping experience for our students. The Gingerbread Holiday Shop will be held at school during school hours the week of 12/5/2022. This has been a fun school tradition for our students in the Christmas season to teach them the joy of giving as well as budget/money management. Please read the information below carefully.

Volunteers will help each student shop within his or her budget. Items are priced \$0.25 up to \$20. Most items are \$5 and under. Volunteers will also wrap gifts and label who each gift is for (i.e. Mom, Dad, Grandma, Grandpa, siblings, teacher, aunt, uncle, cousin, friend, etc.). Payment is due at the time of shopping. Cash or check is accepted. New this year, students will have the opportunity to shop for a child in need by donating an item from the shop to the children of the San Jose Mission. We will have a giant stocking on hand for San Jose Mission donations purchased at the Gingerbread Shop.

Budget envelopes will be sent home with students the Thursday or Friday prior to the shop. Only students who bring completed budget envelopes and cash or check back to school the week of 12/5/2022 will be allowed to visit the shop.
