10% of total raised with a minimal of **\$1,000 up to \$2,000**

Tickets can be sold up until the evening of Angels Among Us, on Feb. 13, 2021. In addition, classes with 100% participation will be eligible for a class determined prize; classes with the highest sales or any class in which all kids sold their family's 10 tickets will be eligible for an ice cream party.

Finally, any **family who has sold at least 5 tickets by Jan.15 will be eligible for a dress down day on Jan. 22** (dress down rules apply).

***Make sure to ask family and friends to enter student's name at checkout**; if last name only is listed, the ticket sales will be divided among all the children in that family. Families and teachers will be updated via email regarding number of tickets sold in their children's names to let them know if they qualify for above incentives.
