Dear Families, Friends, and Supporters,

Via Services is proud to present the 2019 Via West Summer Program Registration Catalog. We are always hard at work to improve and update our programming to ensure that there is something for everyone!

There are several exciting new announcements that we have for our upcoming summer season! For the first time ever, we will be offering travel camps during the summer! Our travel camps provide a unique experience where participants are able to gain tremendous independence and self-confidence in new environments. Second, our online client portal has officially launched! You can now log on, register for programs, pay remaining balances, and submit required paperwork. Starting next season, we will be getting rid of our mail-in registration forms. All registration will be online (or over the phone if you do not have internet access). Next, we have expanded the age ranges for our adult (now ages 16+) and Altitude (now up to age 28) sessions to include even more of our population. Lastly, we have added a transportation stop in Morgan Hill.

We will also be offering our standard traditional day and overnight programs, Altitude programs, and adaptive swim clinics. Adventures in Leadership sessions are now a part of the new Adventures in Life programs: Adventures in Life Readiness and Adventures in Life Planning. Our diverse sessions aim to include something that can appeal to each of our participants, and as always, we make every effort to ensure that your participant has a life-changing experience at Via.

At Via West, we welcome everyone with open arms. We have a scholarship fund available for those who cannot afford our private pay or regional center (RC) supplemental daily rates. We are so fortunate to work with you, our families, and we hope that you continue to make Via your home away from home.

Thank you for continuing to spread the word about Via West Campus. Without you, we would be the Bay Area's best kept secret. See you all very soon!

Irshad Fardan

SUMMER PROGRAM DESCRIPTIONS

All of our sessions are supported by a number of generous donors, including the Leo M. Shortino Family Foundation, Big Lots Foundation, Applied Materials Foundation, Myra Reinhard Family Foundation, Atkinson Foundation, Farrington Historical Foundation, Joseph & Mercedes McMicking Foundation, Bothin Foundation, Sprouts Neighborhood Grants, Mentor Network Charitable Network, Giants Community Fund, and Cisco Employee Matching Fund. We would like to extend our gratitude to these wonderful organizations for their continued support of Via West and Altitude.

Traditional Day & Overnight Programs (Young Adults and Adults)

Traditional Day & Overnight Programs (Kids, Teens, and Young Adults)

Traditional day and overnight programs provide independent living skills and executive functioning, all while having so much fun. The sessions vary in length and start date, giving participants, parents, and caregivers the opportunity to select programs that match their interests and lifestyles. Activities will be themed to each session and will include culinary arts (emphasizing farm-to-table education), hiking, music, sports and physical fitness, dramatic arts, creative arts, and more. For overnights, check-in times will be from 10:00am–12:00pm on the first day and check-out times will run from 1:00–3:00pm on the last day. Every session has the option to select day programs which will run from 9:00am–6:00pm every day of the program.

Travel Camp (Young Adults and Adults)

Travel camps give participants the chance to spend time exploring their own local community and beyond by experiencing overnight trips in a safe, nurturing environment. **Check-in is from 10:00–11:00am on the first day and check-out is from 5:00–6:00pm on the last day.** These opportunities are tailored to fit the needs of 3:1 participants. Those with a 2:1 ratio may be evaluated on a case-by-case basis to determine eligibility. There is no option for day program or for those requiring a 1:1 ratio. All participants, regardless of ratio, will need to be approved in order to enroll.

Adventures in Life Readiness

Adventures in Life Readiness programs are for 3:1 adults, ages 16+ with developmental and/or physical disabilities who are ready to master relevant knowledge, skills, and attitudes for working at Via West in preparation for community work settings. Participants will assist with camp programming. They will also be coached on vocational scenarios, practice executive functioning skills, social norms, and household management skills. To enroll, participants must have completed at least two summer and/or weekend sessions within the past five years. These sessions run concurrently with select traditional overnight programs. Check-in times will be from 10:00am–12:00pm on the first day and check-out times will run from 1:00–3:00pm on the last day. Participants must be approved in order to enroll.

Altitude

Altitude is for participants who can function in a 3:1 ratio, have conversational language skills, are not currently struggling with any significant behavioral challenges, and are typically in a main stream classroom setting. Check-in for Sleepaway, Getaway, and Mad Science will be from 10:00am–12:00pm on the first day and check-out will run from 1:00–3:00pm on the last day. Check-in for Travel Camp will be from 10:00–11:00am on the first day and check-out will run from 5:00–6:00pm on the last day. Mini Altitude runs from 9:00am–6:00pm M–F.

Adventures in Life Planning

Adventures in Life Planning programs are for Altitude participants, ages 18–28, who are ready to learn valuable organizational and mentorship skills. Participants will practice social skill nuances, build executive functioning independence, train in career readiness skills, and assist with camp programming, including Altitude's unique economy. Check-in will be from 10:00am–12:00pm on the first day and check-out will run from 1:00–3:00pm on the last day. Participants must be approved in order to enroll.

Adaptive Swim Clinics

Our Adaptive Swim Lessons for children, teens, young adults, and adults run during select summer Via West sessions. Each clinic is comprised of 4 sessions that are each 45 minutes in length. We will be offering 2 different types of clinics. Beginner lessons will include getting acquainted with water, working on submerging your head under water, beginning front and back floats with assistance, and beginning kicking with assistance. Intermediate lessons are for those already comfortable in the water that can do a front float unassisted. These lessons include working on different swim strokes and learning to tread water in the deep end.

Science Camp

Special needs science camps provide an opportunity for students from special needs schools/organizations to have fun while gaining valuable knowledge and hands-on experience from interactive and sensory driven learning. Students will partake in field days and overnight camp excursions and enjoy activities like horseback riding, discovery walks, culinary rotations, creek exploration, night hikes, dances, and more. Please contact the main office at 408-243-7861 to learn more.

KNIGHTS & PRINCESSES

7 days May 29–June 4, 2019 (WED–TUES)

3 days May 31–June 2, 2019 (FRI–SUN)

Hear ye! Hear ye! Fair maidens and gallant knights alike, let us journey together on an epic adventure! We'll traverse the castle moat (the pool), and scavenge the castle grounds for dragon eggs. A delicious feast awaits us off campus during our field trip to Harry's Hofbrau, and we'll also go see a wondrous theater performance. Back at the Kingdom of Via West, everyone will bake some scrumptious rustic fruit tarts and create their own crowns, shields,

castles, stain glass, and coat of arms. Knighthood training is important, and Sir Camelot will teach us all he knows about riding horses, chivalry, and of course, jousting.

Field Trips: *Theater Performance (May 30)*

BOOGIE ON THE BAYOU

ADVENTURES IN LIFE READINESS

ADAPTIVE SWIM CLINIC 6/14, 6/15, 6/16, 6/17

7 days June 12–18, 2019 (WED–TUES)

3 days June 14–16, 2019 (FRI–SUN)

Laissez les bons temps rouler and let the good times roll! The spirit of New Orleans is coming to camp! After filling our bellies with some authentic Cajun fare at a nearby restaurant, we'll take another field trip to party at a local festival. Back on the Via West Bayou, it's time for an alligator hunt in the pool and a second line parade through campus. We'll spend some time cooking up amazing corn bread and Cajun stuffed bell peppers. What NOLA experience would be complete without a Mardi Gras celebration? To prepare, everyone will help decorate parade floats and make masks, gators, wreaths, and noise makers.

Field Trips: *Cajun Restaurant (June 13)*
Festival (June 17)

PCH TRAVEL CAMP

3 days June 21–23, 2019 (FRI–SUN)

It's the first ever summer travel camp for Via West and we're traveling down the Pacific Coast Highway to spend the weekend in Monterey and Santa Cruz. We'll spend some time on the Santa Cruz Beach Boardwalk before heading down to Monterey. After checking into our hotel, we'll go exploring on Cannery Row to find the perfect restaurant for our Friday night dinner. Saturday will be spent learning about otters, coral reefs, and more at the Monterey Bay Aquarium, wandering around Fisherman's Wharf, and lounging at the beach. Obviously, we'll have a giant bowl of clam chowder before heading back on Sunday.

VW CHILLIN' AND GRILLIN' BLOCK PARTY

ADVENTURES IN LIFE READINESS

5 days July 5–9, 2019 (FRI–TUES)

3 days July 5–7, 2019 (FRI–SUN)

The sun is shining, the smell of fireworks still lingers in the air, and Via West is throwing a classic summer block party just for you! All of the staples of summer are here — baseball, a day at the lake, horseback riding, pool time, and picking fresh vegetables from the garden to make kabobs. Let's spend some time getting crafty and making firework art, kaleidoscopes, paper plate Frisbees, and sun catchers. The expert chefs of the Via West kitchen will help us make some unbelievable crunchy taco cups to munch on. Our block party will have watermelon and pie eating contests, a photo booth, and a skit created and performed by you!

Field Trip: *Lake (July 8)*

Young Adults and Adults ages 16+

FORREST GUMP

ADVENTURES IN LIFE READINESS

3 days August 16–18, 2019 (FRI–SUN)

My mom always said life was like a box of chocolates. You never know what you're gonna get. Fortunately for us, we know exactly what we're gonna get when we celebrate the Best Picture movie *Forrest Gump* during our final session of the summer! We'll play football, dance to Elvis

music, and have a "running" contest. After a yummy meal at the famous Bubba Gump restaurant, we'll head back to campus to each make our own flower crown, shrimping boat sign, and Medal of Honor. Everyone will put on their chef's hats to make some finger-licking good cheddar biscuits and loaded baked potato salad.

Field Trip: *Bubba Gump (August 17)*

Kids, Teens, and Young Adults ages 5–22

PAW PATROL: FIRST RESPONDERS

3 days June 7–9, 2019 (FRI–SUN)

Paw patrol, paw patrol, we'll be there on the double! Join Marshall, Chase and the rest to learn all about being a first responder. We'll go on a firefighting scavenger hunt mission to put out as many fires as we can find, and then we'll practice water rescues with Zuma in the pool. Animal Assisted Happiness will stop by with some of their furry friends for us to meet. Let's see how the pros handle real fires on our field trip to a local fire station. Everyone will get to make first responder hats and badges, character masks, rescue paper planes, and art with some of Rocky's recycled items. We'll swap out our rescue hats for chef hats as we make crescent dogs and pear patrol badges.

Field Trip: Fire Station (June 8)

Kids, Teens, and Young Adults ages 5–22

BEAT THE HEAT

ADVENTURES IN LIFE READINESS

7 days June 26–July 2, 2019 (WED–TUES)

3 days June 28–30, 2019 (FRI–SUN)

It's the dog days of summer and we are looking to beat the heat in any way we can! The breeze from the water will cool us down on our field trip to the lake, and back on campus, we'll obviously spend lots of time in the pool. After another field trip, this time to the Alameda County Fair, we'll have a gigantic water fight. Everyone will make their own UV bracelets, baseball hats, kites, ice cream, and healthy popsicles.

**Field Trips: Lake (June 27)
Alameda County Fair (July 1)**

Kids, Teens, and Young Adults ages 5–22

PAINT THE TOWN NEON

5 days July 24–28, 2019 (WED–SUN)

3 days July 26–28, 2019 (FRI–SUN)

Forget about red, we're painting the town NEON! This colorful session has something fun for everyone, starting with a field trip to go neon bowling. Back at Via West, we'll make some psychedelic tie-dye shirts using water guns and then make some scrumptious neon cake pops and super cool neon juice ice cubes. Find your creative side with splatter paint paintings and neon colored slime. Horseback riding and a glow-in-the-dark party will round out the week.

Field Trip: Neon Bowling (July 25)

Kids, Teens, and Young Adults ages 5–22

PIXAR LAND

ADAPTIVE SWIM CLINIC 8/2, 8/3, 8/4, 8/5

7 days July 31–August 6, 2019 (WED–TUES)

3 days August 2–4, 2019 (FRI–SUN)

To infinity and beyond! We are celebrating all things Pixar this week! Let's ride horses like Jessie from *Toy Story* and create our own adventure books like Ellie from *Up*. We'll work out in the Via West gym so that we can be strong like Mr. Incredible, and we'll make and race cardboard cars like Lightning McQueen. After spending a day having fun in Santa Cruz and another going to the movies, it's time to relax on campus with our own drive-in movie. Everyone will also make Dory fish bowls, *Monster's Inc.* monsters, alien crafts, and thumbprint balloon paintings, and then we'll hop in the kitchen to make bao dumplings and Nemo's famous coleslaw.

**Field Trips: Santa Cruz (August 1)
Movies (August 5)**

Kids, Teens, and Young Adults ages 5–22

ANIMAL PLANET

ADVENTURES IN LIFE READINESS

5 days August 9–13, 2019 (FRI–TUES)

3 days August 9–11, 2019 (FRI–SUN)

Calling all animal enthusiasts! Wildlife has taken over Via West for our last kids' session of the summer! What kinds of animals will we encounter on our scavenger hunt through campus? Will we see lions, and tigers, and bears during our field trip to the Oakland Zoo? Let's ride horses and then learn about the different types of homes that animals have—jungles, oceans, mountains, deserts, and more. Everyone will make animal masks, animal footprints, jungles, and aquariums, and then create lion mane hummus with veggie sticks to eat.

Field Trip: Oakland Zoo (August 12)

ALTITUDE

Altitude Programs

Altitude offers summer camp experiences for boys and girls with social cognitive challenges including verbal and nonverbal learning disabilities, ADHD, Asperger's, and high functioning autism. Altitude is a place where participants build social skills, independence and self-confidence.

We offer a fun summer vacation where friendships are developed. With warmth, guidance, and ongoing support, we prepare our participants for the transition to young adulthood, future relationships, and the rest of their lives!

The Altitude participant has back-and-forth conversational skills, is not currently struggling with any significant behavioral challenges, and is typically independent within a mainstream classroom setting. Our intake process involves a face-to-face interview with each prospective participant, and we will also check two references — these are professionals whom the family trusts and are often teachers and therapists.

Altitude offers a 3:1 staff-to-participant ratio. Our participants learn through an organic process, in which our staff recognizes significant learning opportunities while the participants engage in fun, traditional camp activities such as swimming, athletics, art, drama, and more.

Kids and Teens ages 9–18

ALTITUDE MAD SCIENCE

3 days June 21–23, 2019 (FRI–SUN)

It's our first-ever weekend summer session, so let's get a little crazy in the Altitude laboratory. We're going to learn how to work together in teams to engineer an egg drop, and we'll utilize our problem-solving skills to make a straw and rubber band bridge. Participants will have so much fun while gaining friendships through sharing experiment experiences — making rock candy, creating color changing slime, and building bottle rockets.

Young Adults and Adults ages 16–28

TAHOE TRAVEL CAMP

3 days June 21–23, 2019 (FRI–SUN)

A Tahoe beach vacation is the perfect way to make

new friends and discover new places. We'll practice our teamwork skills with a kayaking adventure, reach new heights with our nature hikes, explore the best state parks, and enjoy spending time in Squaw Valley.

Kids and Teens ages 11–22

SLEEPAWAY

10 days July 12–21, 2019 (FRI–SUN)

Altitude offers a 10-day overnight summer camp experience for children with social cognitive challenges including verbal and nonverbal learning disabilities, ADHD, Asperger's, and high functioning Autism. Altitude is a place where participants build social skills, independence, and self-confidence. We offer a fun summer vacation where friendships are developed. With warmth, guidance, and ongoing support, we prepare our participants for the transition to young adulthood, future relationships, and the rest of their lives!

Field Trips: *Lunch and Movies (July 15)*
Santa Cruz Beach Boardwalk (July 18)

Teens and Young Adults ages 18–28

ADVENTURES IN LIFE PLANNING OVERNIGHT

5 days July 17–21, 2019 (WED–SUN)

Leadership participants will get all of the fun of camp while learning valuable organizational and mentorship skills. Activities will include managing the Altitude store to display leadership skills, promoting a positive Altitude economy during a variety of camp activities, working on career skills through building a résumé, practicing interviewing through real life scenarios, going on a college campus tour, job readiness training, honing in on executive functioning skills through meal time prep and self-care responsibilities, and learning expected vs. unexpected social etiquette. Participants must submit a separate application to apply for the leadership program.

Field Trip: *College Campus Tour (July 19)*

Kids and Teens ages 9–22

GETAWAY OVERNIGHT

5 days July 17–21, 2019 (WED–SUN)

Getaway is an abbreviated overnight experience for those who are not quite ready for the full 10 days. This 5-day, 4-night stay on campus allows for friendships to be developed. Participants are still provided with warmth, guidance, and support to help prepare them for the transition to young adulthood, future relationships, and the rest of their lives!

Field Trip: *Santa Cruz Beach Boardwalk (July 18)*

Kids and Teens ages 9–18

MINI ALTITUDE DAY PROGRAM

5 days July 17–21, 2019 (WED–SUN)

Mini Altitude provides participants with an opportunity to engage in the Altitude experience on a smaller scale. Participants will engage in the same activities as our Sleepaway participants while building important life skills in a naturalistic setting. These skills include practicing and developing social skills as well as executive function skills and coping strategies.

Field Trip: *Santa Cruz Beach Boardwalk (July 18)*

Summer Transportation

We are so excited to expand our transportation offerings to now include 10 locations across the Bay Area. All vans will have both a Senior Via West Counselor and Nurse on board. 1:1 participants will have their assigned counselor riding with them. Check-in will occur with both the counseling staff as well as the nursing staff. Special diet information will be given to the nursing staff as well. Remaining payments and paperwork, if any, will need to be rendered at the designated check-in location. It is very important that parents bring all packing list items as you would if you were bringing the participant to the campus directly. None of the processes will change. It will be the parent/caregiver's responsibility to ensure that the participant is changed and fed as the ride may be up to 90 minutes depending on location and traffic.

We will be providing transportation for \$50.00 each way from San Jose, Santa Clara, and Palo Alto; \$75.00 each

way from Fremont, Santa Cruz, and Morgan Hill; \$100 each way from South San Francisco, Oakland, and Salinas; \$125.00 each way from Santa Rosa. All pickups for check-in days will occur between 10:30am–12:00pm, and your specific pickup time will be prearranged and discussed with you prior to check-in day. Drop off times will be between 12:00pm–1:30pm and will also be prearranged ahead of time.

Our vans will remain at the designated locations for 20 minutes after the pickup and drop off time frames before leaving to return to Via West Campus. If you miss your scheduled pickup or drop off time, you will be charged a fee of \$100. If you miss your drop off time, you will need to pick your participant up from Via West Campus where our regular late pickup policy will be in effect.

Return to Via Services, Inc.

Mailing address: 2851 Park Ave. • Santa Clara, CA 95050
Attn: Via West Admissions Manager
www.viaservices.org • Phone: 408-243-7861 • Fax: 408-243-0452

Please note that your registration will not be processed without the \$100.00 registration deposit per session (\$200.00 per session for travel camp). We strongly encourage you to **REGISTER ONLINE**. However, if necessary, we will accept your registration by mail with the appropriate registration deposit. Please note, however, that this is the last time you will be able to mail your registration forms. Beginning with the 2019-2020 Fall, Winter, and Spring programs, registration will be **ONLINE ONLY**.

Please note that the deposit will be applied to the balance of your program, regardless of payment method.

In planning for each participant's stay at Via West and Altitude, costs are incurred in advance. Therefore, if you cancel within 31 days of your scheduled session, for whatever reason, your \$100.00 registration deposit (or \$200.00 for travel camp) will be retained to help cover lost expenses.

REGISTRATION PROCEDURES:

IMPORTANT NOTICE: This is the last time we will have mail-in forms available. Beginning with the 2019-2020 Fall, Winter, and Spring programs, registration will be **ONLINE ONLY**. We will have a phone option for anyone without internet access.

Registration is now open for all summer sessions. We are not restricting any spaces in our regular programs, however we do still have a maximum capacity. **Spaces are available on a first-come, first-served basis with deposit to secure reservation. We strongly encourage you to register online by going to <http://www.viaservices.org/services/via-west>.** However, if necessary, we will accept your registration by mail or email. We encourage attendance at multiple sessions as our enhanced thematic programming will be very different each session. There is a registration deposit of \$100 (\$200 for travel camps) required per session.

Regional center funding: If you do not have 8 hours from the Regional Center for the day programs, you will be charged the private pay rate. In order for your participant to be marked down as paid, we require:

1. An *Authorization to Purchase Services* to be sent to the Via office before the start date of the session
2. The payment of the private pay or the supplemental daily rate in full

If payment is not received from the regional center as authorized, you will be responsible for the remainder of the payment due at the private pay rate.

Scholarship money is greatly needed.

**Help someone like David attend Via West!
Help a family in need send their child/adult to THEIR
favorite week of the year.**

Meet David. He has been coming to Via West with the help of scholarships since 2016. His mom writes, "Camp is the best thing to happen to David in a long time. The counselors challenge him and let him be who he is. It's the highlight of his month." Without our scholarship fund, David would not be able to attend his favorite week of the year.

Please accept this donation in the amount of \$ _____

(Check one) ☐ Please charge this amount to my credit card above

☐ I have enclosed a check in this amount.

PRICING

Pricing for all sessions includes nursing, education/respite fun, 2 meals a day, snacks, all scheduled program activities, field trips (when applicable), and transportation (when applicable).

The RC total rate is a mandatory rate, paid in full by the parent/caregiver in addition to what is funded by the regional center.
