

CFUW Cambridge

Annual International Women's Day

Breakfast 2025 #Accelerate Action

Guest Speaker: Jennifer Seberras,
President and CEO Simplify Supply Chain Solutions

Jennifer discovered supply chain and logistics 20 years ago. Right away, she fell in love with the possibility of making something so intricate into something simple. As she rose through the ranks of different companies, she noticed that not many women occupied significant roles in transportation, operations, and supply chain. Jennifer decided to create the change that she wanted to see and Simplify Supply Chain Solutions was born. With 20 years' experience in logistics, Jennifer has spent the last 11 years owning and expanding her company from a single employee to over 100, delivering packages across Ontario with both refrigerated and dry warehousing.

Jennifer created Leadership Hub, a safe space for female entrepreneurs to discuss their business journeys and to empower, connect and equip them with the tools they need to succeed.
