

## Health and Purchase/Spay/Neuter Agreement

You have purchased a puppy bred only after careful consideration of the compatibility of the parents based on physical structure, temperament, and health, to be as sound and defect free as possible. This puppy has received a physical exam by a licensed Veterinarian and is identified by an individual microchip number. This puppy's health record will indicate that he/she is in good health and up-to-date on immunizations and deworming appropriate for this puppy's age. This guarantee is not transferable and only applies to this dog, sold by us, to the owner recorded below.

If a Veterinarian certifies your puppy to be ill or to possess a congenital defect within 5 business days of purchase, the cause of which is attributable to the breeder, a replacement or refund will be given upon the surrender of the affected puppy. The refund is only for the purchase price of the puppy, it does NOT cover any medical expenses incurred.

If a Veterinarian certifies your puppy to have a debilitating congenital physical defect resulting in death or euthanasia prior and up to the puppy's 2nd birthday, the puppy's owner has the option of a replacement puppy of equal value from a future litter whenever they are ready for one. Shipping fees are NOT included in a replacement situation.

We also offer all Riverbend families the opportunity to extend their health contract one year, for a total of three years, simply by feeding your dog Life's Abundance food. We believe that the Life's Abundance Food and Products provide the optimum nutritional benefits to best ensure good health and longevity for our puppies and dogs. We so strongly believe that optimum nutrition plays an integral role in the short and long-term health of our dogs and puppies, that we are offering this optional 1 (one) year extension to our health guarantee if the following provisions are adhered to:

1. The puppy identified via Riverbend's recorded microchip must be fed Life's Abundance Food for the first 36 months of life.
2. The owner of this puppy, must order Life's Abundance Food under Independent Representative Kristi Coopshaw, Riverbend Labradoodles #20200248 or Chad Coopshaw, #20213806 for tracking purposes. NOTE: LA automatically places repeat orders under us, as long as your first order was placed with us.
3. At any time within your puppy's first 36 months, should your puppy be removed from the Life's Abundance food, the additional 1 (one) year extension of the health guarantee becomes void without exceptions.

This additional year added to your health guarantee is optional, as we still believe that you should make the ultimate decision on your puppy's food, treats, and chews. Again, this is optional, and based upon your purchase of LA Food for the first 3 years of your puppy's life. If you choose to purchase a different food, then your health guarantee will remain the same (24 months).

This puppy is being sold as a companion pet only, NOT for breeding purposes. If this puppy is being sold as a breeding dog a separate contract and price apply. We will REQUIRE spaying or neutering your puppy before or during 3 – 8 months of age, with proof of spay or neuter from your Veterinarian being sent to us. We require that the proof of spay/neuter be on veterinary hospital letterhead, showing the puppy's name, date of birth, and microchip number. Proof of spay/neuter will be provided no later than the puppy's 9 month birthdate, and if proof is not received by the required date, we reserve the right to reclaim the puppy without compensation to the puppy's owner, and/or a \$15,000.00 breeding fee will be owed to Riverbend Labradoodles LLC immediately. If necessary, legal action will be taken to collect damages and fees and the puppy's owner will be responsible for all legal fees. Upon receipt of proof of spay/neuter, the ALAA registration papers and pedigree information will be provided, and the cost of the surgery will be reimbursed, up to but not exceeding \$200.

This Agreement will be construed in accordance with the laws of Ohio. If any legal action is to be taken by either Buyer or Seller, venue shall be in Fulton County, Ohio. If you are unable to keep your Labradoodle, we will take back any puppy or dog bred by us, or we will work with you to determine how best to re-home your dog.
