

Introducing

We are excited to announce our new school management system – **FACTS SIS** (currently Sycamore Student Information System). We are in the process of setting up **FACTS ParentsWeb** – a private and secure parents' portal that will allow parents to see academic information specific to their children, while protecting their children's information from others.

All you need is an Internet-capable computer to view information such as:

- | | |
|---|--|
|  Attendance | |
|  Daily Grades | |
|  Student Documents (i.e.
Report Cards, Transcripts) |  Staff and School Directory |
|  Missing Assignments |  Family Account Balances with
Online Payment |
|  School Calendar | |

FACTS has created a 5 minute [ParentsWeb Overview video](#), which will give you an introduction to the system. Please watch it at your convenience by [clicking here](#). The password to access the video is **ParentsWeb** (case sensitive).

Once we have ParentsWeb up and running, we will provide you with instructions for logging in and viewing information. We look forward to your participation. Together we can improve our children's academic development and the communication between our school and your home.
