

St. Francis of Assisi's *Virtual*

Teacher Appreciation Week of Gratitude

May 4-8, 2020

May 4

We Are Grateful for You

Video your child saying thank you to your teacher for all he/she has done and welcome them to our Week of Gratitude.

"I am grateful for ____ because..."

May 5

Gratitude Blooms from Within

Email a picture of a flower, a drawing or a virtual floral bouquet to your teacher and designated staff.

If you have your teacher's home address and would like to go in on a floral bouquet as a class, you can send a real bouquet if possible.

May 6

A Prayer of Gratitude

Email your favorite prayer or quote on Gratitude to your teacher and designated staff.

May 7

Gratitude Makes Everything Turn into a Gift

Recognize teachers and designated staff with an e-gift card or note sent to their email address.

May 8

The Secret Ingredient is Always Love

Let's nourish their body and soul with gifts of food and love in lieu of the Appreciation Luncheon.

If you have your teacher's physical address, you can go in with the class to send him/her a meal through a meal delivery service.

Or, email your teacher and designated staff meal/restaurant gift cards. This can be done as a group pitching in together or as individuals.
