

Online Safety Courses

ALL VOLUNTEERS MUST COMPLETE THIS COURSE. The safety course **MUST** be completed **PRIOR** to volunteering with the Kaua'i affiliate. Even if volunteers have taken this course with another affiliate, they **MUST** complete the test portion using the Kaua'i affiliate as their volunteer site.

It takes approximately 15 minutes and upon successful completion a certificate will be sent to our office.

Instructions:

1. Go to the web and enter this web address in your browser:
www.hfhvolunteerinsurance.com Scroll down to the "take the safety course" tab
2. In the Employee Access Code box enter: **W8NAEBTG and press Submit**
3. Select the "Volunteering on a Habitat for Humanity Job Site" course.
4. View the program. After watching the program, you will be directed to the test portion.
5. Take the test.
6. After the test, submit your first and last name
7. Next, choose the state of **Hawaii**
8. **Click** submit
9. The next screen will ask for the Habitat affiliate name **Kauai**
10. Enter "volunteer" as your association

Required: Volunteering on a Habitat for Humanity Job Site

Recommended Courses:

- Back Safety
- Fall Safety
- Ladder Safety
- Portable Power Tools Safety
- Preventing Slips & Loss Control
- ReStore Safety & Loss Control
- Scaffolds-Construction

Those volunteering at ReStore should also take a second course called ReStore Safety & Loss Control

Having trouble?

Call the Volunteer Program at 808-335-0296 x152 to walk you through accessing the course.
