Search Committee Report

The vestry has created a search committee to undertake the task of searching for a new rector. The committee consists of the following members: Linda Crocker, Colin Darrell, Victor Punua Jr., Diane Sato, Vikki Secretario, Curtis Shiramizu & Dianne Tabura.

The tasks of the search committee will be to gather information to create a new Parish Profile, publicize the position, schedule & accept application & select finalists. 3 Finalists will be selected and presented to the Vestry who will then be responsible for selecting the new priest for our church.

The search committee would love to hear from our All Saints Ohana and hope that you would all share with us your thoughts, wishes, questions or concerns.

We kindly ask for your continued prayers , participation and patience as we prepare the necessary requirements that will call our new Rector.
