

Laundry Love Kauai seeks to build bridges within our community by assisting those in need with basic laundry service.

We are approaching our 4th anniversary for Laundry Love Kauai. To date, we have handled approximately 7,000 loads of laundry, serving the ongoing needs of dozens of local families.

Our focus for 2019 revolves around the four pillars of this outreach ministry:

1. Operations - 3 hour sessions, twice monthly, operating 25 washing machines & 30 dryers.
2. Funding - Internal funding, private donations & grants to meet \$10k annual expense.
3. Volunteers - 30+ individuals comprised of All Saints members, youth groups & our patrons.
4. Communication – Increase awareness through social & print media.

Our team of volunteers take pride in delivering a helping hand, free of judgement to our brothers and sisters. In return, we receive an abundance of gratitude from the patrons who appreciate the smiles, kind words and clean clothes. It truly is a win-win for all involved.

We invite you to be a part of this critical outreach program. There are ways to contribute during or between sessions. Requirements include a little time and a big heart. Please help us extend our grace beyond the church walls.

Blessings,

Geoff Shields
