

Luther Springs

FEBRUARY 27-MARCH 1 **MASTER BUILDERS** **FOR MEN & WOMEN**

Like working with your hands? Join us while we do big and small projects to improve Luther Springs. We will also enjoy kayaking and fishing on the lake, test our skills at archery, tell stories around the campfire, rock on the back porch or explore the property. A great opportunity for those that like to work with their hands to enjoy building projects and building community.

Projects will include:

- Repairing the Human Foosball Court
- Erecting a sun shade
- Sealing benches
- Creating a cross for our Lakeside chapel
- Weed eating & raking trails
- Cutting firewood
- Landscaping
- Organizing Supplies
- Cleaning
- Many smaller projects

Tools, rakes, shovels, etc., are always helpful. A list of needed items will be sent to the registrants. Event leaders are: Coordinator, Rev. Jonathan Gantt, and Chaplain, Rev. Jon-Marc MacLean. Lon Buss, FL Lutheran Men in Mission (LMM), will share resources for congregational ministry with men. WELCA resources will also be available.
