

## Rev. Dr. Janice Mynchenberg honored on 35<sup>th</sup> year of Ordination.

On July 2, Epiphany Lutheran Church-Oviedo celebrated the 35<sup>th</sup> year of Pastor Janice's ordination, and 5 years as pastor at Epiphany.

A July 4<sup>th</sup> pot-luck luncheon was planned and held along with gifts of cash and gift cards that were assembled in a gift basket which was presented to Pastor Janice at the end of worship. Included in the gift basket were "flowers" made with dollar bills fashioned by council secretary, Joyce Seger.

*(IRS regulations prohibit releasing the dollar value of the basket) LOL*

The whole event was a surprise for the pastor and by her response when the basket was presented, she **was** totally surprised and overcome with emotion. Who says Lutheran's can't keep a secret?

Great food and fellowship followed. Thanks be to God who after all, did made it all possible.

**Congratulations, Pastor Janice! Here's to 35 more, all right here at Epiphany.**
