

LEARNING TO SEE

An
Invitation to Learn,
Listen, & Love Our Neighbor

Just Love Ministry

WEEK 1:

Whose Story Is This

LOVE OUR NEIGHBOR

Learn which specific countries the Latino/a/e people in your life or congregation trace their families to — don't assume, ask respectfully and listen to the answer as a gift, not a data point.

WEEK 2:

How Faith Was Handed Down

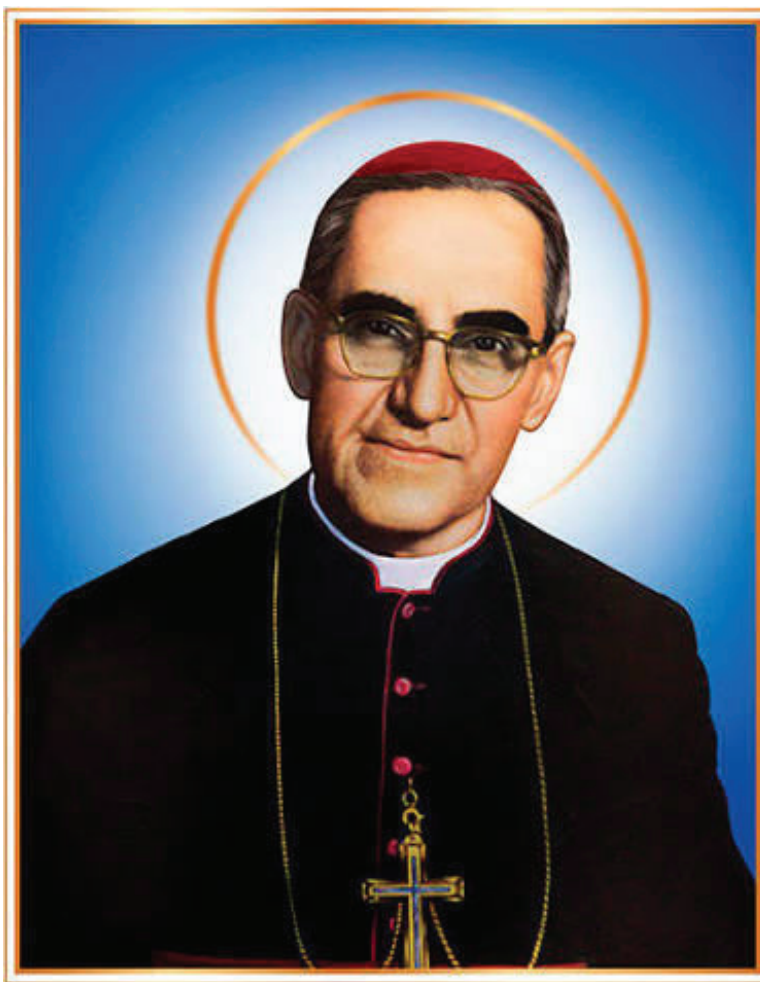

LOVE OUR NEIGHBOR

Ask a Latino/a/e friend, neighbor, or church member about a faith tradition from their family. Then simply listen, without steering the conversation back to your own experience.

WEEK 3:

The Cost of Faithfulness

SAN ÓSCAR ARNULFO ROMERO
OBISPO Y MÁRTIR

LOVE OUR NEIGHBOR

Look up AMMPARO and learn one concrete way to support them — financially, through advocacy, or through direct relationship.

WEEK 4:

Loving Our Neighbor Beyond This Month

LOVE OUR NEIGHBOR

Write down one relationship or commitment from this month that you will intentionally continue past October 15, and put a date on your calendar to check in with yourself. Neighbor-love, in Luther's sense, isn't a feeling — it's help and support offered in ordinary, daily life, long after the calendar page turns.
