To the Permitting Agency

Thank you for providing this opportunity to comment on the proposed West Susitna Access Road. My name is *YOUR NAME HERE* and I *STATE CONNECTION TO THE WEST SUSITNA DRAINAGE*.

I am urging you to not continue with exploring the West Susitna Access Road project.

*State a few reasons why you are concerned with the project. Feel free to use some issues from our talking points sheet or include your own.*

I think that this project is bad for Alaskans, and should not be continued.

Thank you for your time.

Sincerely
