# COATS *for the* HOMELESS ORDER FORM

## THE COAT- DESIGNED BY THE HOMELESS FOR THE HOMELESS

Members of the Order of Malta consulted the homeless about what they wanted and needed in a coat. Based on feedback, coats are black, three-quarter length with a hood, quilted and warm, waterproof, comfortable and portable. The coats are specifically designed for mobility, allowing for easy movement in an emergency, and can be easily layered in various seasons. Hospitaller Regions of the Order of Malta are welcome to join the Oklahoma City region in the Coats for the Homeless program.
