The Swan Coach House Gallery is pleased to present Little Things, our annual small-works exhibition. Featuring hundreds of paintings, drawings, photographs, and sculptures, our gallery walls are filled to the brim with handcrafted pieces by over 70 artists from Georgia and the Southeast. Emerging and established collectors alike can acquire original artworks at accessible price points, just in time for the holidays. We will open our online store on November 15 at www.swangallery.org. As pieces sell, the Gallery and online store will be refreshed, so be sure to visit often!
