

Department: Emergency Medical Services

Fund Number: 800-261

Prepared by: **Kim Mitchell**

2024 Goals:

- Finally fulfill the EMTS grant for a new ambulance and write a grant for another.
- Research IT solutions- hardware compatible with ESO system, (i.e., new tablets for the ambulances) -grant
- Get a training program set up with Montrose Regional Health for Paramedic CE.
- Figure out staffing and how to pay for it.
- Electronic controlled substance tracking-grant
- Upgrade pediatric care and training -Handtevy? -grant
- Get onboarding process written and established (mentor/FTO program)

2023 Accomplishments:

- Recruited more EMT and driver staff as well as hired a full time Paramedic to replace Mike Andrews
- Still in process of acquiring an ambulance and outfitting it.
- Re-divided staff responsibilities but needs more work
- Increased pediatric training and had several ALS specific trainings.
- Continued improving internal processes. Got everyone switched to Google operating system, minimal issues.
- Identified gaps in our orienting of new employees and are working to correct these.
