Each year, the IMA supports a charity local to the IMA Summit and provides opportunities for membership to engage through fundraising activities and IMA Summit session activities. This year, with our members feedback, we've chosen to partner with the YMCA of Metro Chicago (The Y).

Whether donating gift cards, merchandise, or cash; your donations can help provide:

- **nutrition education and basic culinary arts education** for 10 parents striving to make more healthy choices for their families
- **family cooking class** for 5 families striving to learn in a fun, low stress environment as a family
- **healthy snack/dinner options** for 25 youth in our afterschool enrichment programs
- **digital cameras** allow youth to explore and document their experiences in nature throughout Adventure Guides summer camp. We host screen-free camps, so without phones, digital cameras are a huge asset to these programs that many families cannot afford themselves.
- **travel vouchers** (hotels, airline miles, gas, etc.) allow the Y to bring the gift of a college tour to a group of teens looking to explore post-secondary education opportunities. This is a huge aspect of what we do for the teens in our afterschool and camp programs. Many would not otherwise think of college as an option for them. We want to change that.
- **office supplies** (paper, printers, ink, binders, etc.) help our staff save administrative costs to conduct camp counselor trainings for the hundreds of new counselors we will onboard this summer. Helping reduce administrative costs helps us devote more funding directly to our programs.
- **paint, gardening and home improvement supplies** allow a group of volunteers the chance to revitalize the outdoor play spaces at our Ys to ensure our playgrounds and ga-ga pits can withstand all the fun activities that happen there each and every day.

Each year, IMA selects a charitable organization to support. IMA's Philanthropic Task Force is established solely to support the efforts and duties to make our charity campaigns successful. The gracious volunteer work from the task force and the generous contributions from IMA members have generated colossal amounts of relief and assistance to our chosen charities.
IMA encourages its members to participate in our charity campaigns by volunteering, fundraising, awareness promotion and donating.
