

Join us in Boston, MA July 17-19, 2023 for the IMA Summit. The Summit is an exciting and intimate way to make long-lasting relationships while exponentially expanding your business connection with more than 300 leaders in the incentive industry each year.

The **Incentive Marketing Association** (IMA) invites all members and incentive industry professionals to take a special role in the organization's annual Summit and education conference. Our members are interested in the use of incentives and recognition to improve business performance. IMA is the premier resource for organizations looking to positively affect their bottom lines by engaging providers who deliver solutions, ideas, thought leadership, advice and innovation to successfully shift desired behaviors, improve performance, and increase employee and channel loyalty.

We encourage you to review the sponsorship opportunities detailed in this brochure.

The opportunities were designed specifically to:

1. Give members and other industry organizations greater visibility in front of the incentive community.
2. Help educate members about emerging and current trends in the incentive industry.
3. Showcase your company's products to the incentive industry.
4. Support IMA in continuing to offer an annual conference with high quality training and education opportunities for incentive marketers.

IMA appreciates your consideration and support!
