VinGarde Valises can also be divided so that travelers can use half for their clothes and personal items. The Piccolo is ideal for travelers to transport their wine and spirit purchases from airport Duty Free stores, because it can be carried on and then if the traveler has a stopover flight, it can then be checked to their final destination. VinGarde Valises are carefully designed with many options, such as inserts for glassware, chillers for summer travel, inserts for beer and spirits and the cases can be branded with client logos.
