

## HRSA Announcement

Announcements from the  
**Federal Office of Rural Health Policy**

---

### **COMING SOON - New HHS Funding for Rural Health Clinics to Strengthen COVID-19 Testing and Mitigation and Increase Vaccine Confidence**

The Health Resources and Services Administration's (HRSA) Federal Office of Rural Health Policy (FORHP) will be making [new U.S. Department of Health and Human Services \(HHS\) funding](#) available for Rural Health Clinics (RHCs) to strengthen COVID-19 testing and mitigation and increase vaccine confidence.

#### [Rural Health Clinic Vaccine Confidence \(RHCVC\) Program](#) – **Coming Soon!**

Interested RHCs should [watch for the upcoming funding opportunity](#) and start the process to [register to apply for a HRSA grant](#). HRSA will fund all [eligible RHCs](#) that have a complete and acceptable application. RHCs may use this funding to increase vaccine confidence, improve health care in rural areas, and reinforce key messages about prevention and treatment of COVID-19 and other infectious diseases.

For additional information please [register in advance](#) and join the National Association of Rural Health Clinic's (NARHC) RHC COVID Initiatives webinar on Wednesday May 19th, at 12 PM ET. Please join the RHC Vaccine Confidence Program mailing list for additional program announcements and updates by clicking [here](#).
