## **EXCELLENCE IN CONSTRUCTION 2020**

Have you recently completed a project you are particularly proud of? Something unique or difficult; beautiful or ordinary; or all of the above?

Showcase your project at this year's Excellence in Construction Awards. Past winners have received a unique marketing boost from the professional videos that capture the technical aspects of the project. The videos are posted on the DISCA website, and advertisements congratulating the winners are placed in full page ads in NJ Business and AWCI Dimensions magazine.

There are no fees or costs to submit an entry, and the marketing upside is significant. So don't delay- submit one or more entries today!

To be eligible, the project must have been completed within the past 2 years.
