Remarks

This spectacular 6 bedroom 3 bath home has been completely remodeled with a flowing floor plan that creates an inviting living space. The gourmet kitchen with its soaring sky-lit ceiling integrates easily with the dining area, living room and family room. The home is decorated with a chic seashore décor that evokes the sand and surf. The large deck is accessed from the spacious living and family rooms and provides areas to chat, dine and recline in the sun! A private hot tub in the rear yard is a great place to relax all year. The splendid master suite has a dressing room with custom cabinets and a granite topped vanity. As part of the Seascape community, there is also a beautiful pool that is three to four times the size of mini pools that Avalon homes have and a tennis court for your enjoyment. The SeaScape Association fees are less than what it would cost to maintain your own pool and landscaping! Only two blocks to town and less than two blocks to the beach! If you are looking for a home to meet all your seashore needs, this is the one!
